**2019 Education Property Tax Credit Changes**

Whether you own or rent your home, you could be eligible to save up to \$700 with the Manitoba government’s Education Property Tax Credit (EPTC). The credit is provided by the province of Manitoba to help cover the school taxes you pay, or a portion of your rent either directly on your municipal property tax statement or through your income tax return.

Seniors may be eligible for additional savings. See below to learn more.

Budget 2018 announced that effective for the 2019 tax year, the calculation of the Manitoba Education Property Tax Credit (EPTC) will be based on school taxes and the \$250 deductible will be eliminated. The Seniors’ Education Property Tax Credit will also be calculated on the school tax portion.

**YOUR COMMUNITY IN ACTION...**

**Ste. Anne Spot-Light**

If you play hockey, or been to the arena over the last while you would have noticed Phase one of the Trophy cases being brought back. Jake St. Vincent took initiative on making this project a reality with a small group that worked together to start to build the history of the Sr. Aces hockey Association. Jake St. Vincent himself, was a part of the Sr. Aces history.

As a past goalie, and huge part of the Aces story he's very passionate about bringing back, and showcasing all the Sr. Aces Association has gone through to get to where they are today. Obviously, as you can see from this photo there is much the Sr. Aces have to be proud of in their accomplishments through the years. Many people could be mentioned in bringing back this showcase, but Jake took the lead, and started getting it done. Thank-You Jake, to you and all that were involved in making this happen.

The Town of Sainte-Anne Fire Department would like to remind everyone to check all smoke and C.O. detectors. As we move our clocks forward in the spring it is a good time to check batteries and ensure they are operational. Smoke detectors should be changed every ten years and C.O. detectors have a life span of 5-7 years depending on the manufacturer. A reminder that yard waste cannot be burned as per by-law 8-2008 “regulate burning”

The Library has a few things happening right now...

- we have a toddler and mom music class going on every Tuesday morning from 10:00-10:45.
- we have foot care happening twice a month.
- we still do the book mobile to the Villa every Thursday.
- we have a Summer Reading Program at the end of the school year till end of summer. Ages are 3-15 and can be entered to win a prize.
- we are also having a knitting, crocheting night. Or any other project that you may have on going, that you'd like to get together with at the library starting the last Wednesday of the month. Finally, we are trying to get a lego night going at the library, anyone willing to donate or part with old lego pieces? They could be dropped off at the Library, we'd really appreciate it! For more information please email the Library at [steannelib@steannemb.ca](mailto:steannelib@steannemb.ca) or call 204-422-9958

**ACCUEIL KATERI CENTRE**  
 FOOD BANK / BANQUE ALIMENTAIRE

**Christmas Hampers:**

Thanks to the incredible generosity of many, many people, the volunteers of Accueil Kateri Centre food bank were able to prepare and distribute Christmas hampers to 108 local families. These hampers included food for the Holidays and over 200 gifts for children, including new, age-appropriate books. The recipients were greatly appreciative. Donations of dollars, food, gifts, time and talents speak highly of our caring community.

Huge thanks to the Town of Ste. Anne, the Rural Municipality of Ste. Anne and also the surrounding RMs, the churches, the schools, staff and students, businesses, Ste. Anne Lions Club, the Knights of Columbus, local artists, the media, volunteers and individuals of all ages.

**A.G.M. :**

Accueil Kateri Centre's Annual General Meeting will be held Thursday May 16, 2019 at the Knights of Columbus Hall, 132 Centrale Avenue at 7 p.m.

The guest speaker is to be announced. All are welcome!

**Scouts Canada Open house**

Thursday March 14th is Scouts Canada Open house here in Ste. Anne Location TBA yet, however this evening will be spent learning about the scouts program. Kids are invited to come along and participate in activities they would be doing as a Scout.

We've had interested community members that would like to see a Scouts program offered here in Ste. Anne, so we've invited and organized an Open house. Stay tuned for more information on this evening with Scouts Canada.

**PUBLIC SERVICES WOULD LIKE TO INFORM YOU...**

**Garbage** must be put out no earlier than 8:00pm the night before pickup and no later than 8:00am on the pickup day. Garbage must be placed to the front of property line (curb side) and accessible from the street. Waste must be placed in garbage bags and not to exceed 45 lbs. per bag (20kgs). Reminder to please remove garbage containers by 8:00pm on your garbage pickup day. Garbage containers should not be left out for the whole week.

**Yard waste will be picked up every Monday ONLY.**

Yard waste must be placed in **PAPER** yard/garden waste bags. Plastic bags are not accepted and will not be picked up. Branches must be bundled in lengths no longer than 3-4 ft. and tied in bundles no more than 36" in diameter. This waste will be picked up on Monday ONLY, unless there is a civic holiday, then pick up will be moved to Tuesday.

All garbage and recycling info are available on the Town of Sainte-Anne website.

**Bulky Waste**

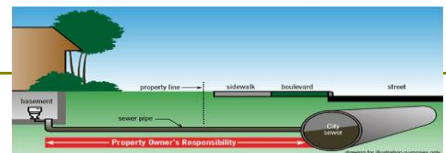

On May 14 & 17, 2019 on your respective garbage day, the town will accept/pick up bulky waste. What is considered bulky waste: "an item or thing having weight which exceeds 32kgs (75 lbs.) or a total dimension which exceeds 3 cubic meters (7 cubic yards) and without limiting the generality of the foregoing includes appliances, furniture, auto parts, large crates."

**Mark your calendar: annual free Giveaway Weekend**  
September 7 & 8, 2019 (more details to follow)

**Lift stations and sewer mains**  
The Public works department is reminding residents to be more mindful of what they flush down the drains. Clothing, towels, cloth diapers or diaper wipes are all items that have been pulled from plugged sewer lines. Diaper wipes, rags and feminine products do not disintegrate. When such items are flushed, they end up plugging the lines and causing pump failures at the lift stations. While some items are deemed flushable, they may not be safe for the sewer systems. We have also noticed accumulation of grease in the lines which indicates people are dumping cooking oils and fats down the drains. We are suggesting oils and fats would be better disposed of by pouring it into a container or bag and sent to the landfill rather than the sewer system.

**GOOD FRIDAY GARBAGE PICK-UP  
of April 19th, 2019  
will be changed to  
Thursday, April 18th, 2019**
