

TOWN OF STE.ANNE

BY-LAW NO. 9-2006

Being a by-law of the Town of Ste. Anne to regulate unnecessary and harmful noises.

WHEREAS the municipal act provides, pursuant to Section 362

98 The Council of each municipality may, by by-law, make regulations not contrary to law, respecting matters for which provision is not specifically made herein, and, without restricting the generality of the foregoing shall make regulations,

- (a) for governing the organization and proceeding of the Council;
- (b) respecting the time and place of holding its meetings; and
- (c) for the calling of special or general meetings thereof;

and generally, but subject to The Public Health Act and any other Act of the Legislature and regulations made thereunder, may make such other regulations for the health, safety, morality, and welfare of the inhabitants and for the peace, order, and good government of the municipality as the Council deems to be necessary or advisable.

370 The Council of any municipality may pass by-laws

- (a) for regulating or prohibiting the ringing of bells, except church and school bells, blowing of horns, beating of drums, and other noises liable to disturb or annoy residents of the municipality; and
- (b) for regulating, controlling, or prohibiting the use, on the highways or in any public place, in the municipality, of loudspeakers or other devices for the amplification of sound.

AND WHEREAS excessive sound is a serious hazard to public health and welfare safety, and the quality of life;

AND WHEREAS people have a right to enjoy an environment free from excessive noise;

AND WHEREAS technology now exists by which excessive noise may be substantially abated;

NOW THEREFORE the Town of Ste. Anne, in council assembled, enacts as follows:
